

Integrated Manufacturing & Wholesaling Business for Sale Auckland

Resilient, Profitable, Exciting Growth Opportunities

Expressions of interest are invited for this profitable business that has shown resilience to economic cycles over many years

This business continues to experience very strong demand for its products in the face of economic conditions that many businesses are finding challenging. This is a reflection of its broad customer base, varied product range and high-quality products and service.

Demand for the business's products is so strong and has been so consistent that the owners believe the time is now right to pass the business on to new owners who have the drive to expand the business to achieve its full and significant potential.

As you would expect from a business of this quality, it has all the necessary attributes such as excellent customer relationships, well-maintained plant, well located premises, reliable and capable workforce, strong reputation and market position etc.

Particular strengths include:

- Diverse income base
- Positive cashflow/low working capital requirements
- Significant growth potential in N.Z. and overseas
- Solid foundation on which to build expansion
- Valuable Intellectual Property
- Significant barriers to market entry for competitors
