

Motor Cycle Shop Business for Sale Stratford

Profit and well established motorcycle sales and service shop in a rural town.

Union Yamaha has been trading in Stratford for approx 35 years, and due to some ill health, the business is going on the market.

Situated on Juliet Street in Stratford, this site is very well positioned, surrounded by other light commercial businesses that are associated with the farming and automotive industry.

A new lease will be made available to the new owners.

This is a very well-performed business that has been consistently profitable over many years.

The existing staff have been long term employees who are very keen to remain in the business and have very good knowledge of the product and the workings of the business.

This is an excellent option for anyone wanting to enter this very busy market with a brand that has proven itself in the motorcycle world.

For an IM, price information and an appointment to discuss the business call today.
