

# Kitchen Manufacturing Business for Sale Auckland

## Kitchen Manufacturing with Scale

Are you someone with a background in cabinetry, manufacturing, residential construction, sales, or design? Are you ready to take the leap into entrepreneurship and reap the substantial rewards? Here's your chance.

Imagine owning a thriving Kitchen and Cabinetry business, specializing in comprehensive solutions for kitchens, bathrooms, and laundries, from design to installation, holding positive ongoing relationships with repeat customers and catering primarily to the residential market.

With over 30 years of successful operation, this business has a proven track record throughout all market conditions and is currently in growth mode. The business comes equipped with the know-how and machinery to deliver a reliable and steady flow of high-quality output and impeccable customer service.

The business' dedicated team of skilled professionals, coupled with a robust tier-two management structure, ensures smooth operations and consistent excellence, without reliance on the owner day to day.

This is your chance to step into a fully operational business, with a track record of profitability and a healthy pipeline of future projects. Seize this opportunity for a lucrative return on investment and the freedom to be your boss.
