## Boutique Cycling Business For Sale In Nelson

### Nelson Cycling Business for sale

This is the first time, this highly reputable and profitable business has been for sale. As one of the longest established cycle tour companies in Nelson, Wheelie Fantastic Cycle Tours was started in 2011 by current owners. The vendors vision was to create a company that offered exceptional service and without fuss or fanfare they have grown the business based on that. This well-established business has developed strong reliable business relationships with accommodations providers and other services on and around The Great Taste Trail. The business evolved from a small operation at Mapua wharf to a modern business catering for the discerning traveller.
