

Profitable Construction Company Business for Sale Wellington Region

Profitable Construction Company

This well-established and privately owned construction business is part of a nationwide franchise group that is one of the fastest growing new home building companies in New Zealand.

This business offers:

- Privately owned, though has all the support and advantages of being part of a bigger business group
- Standardised Processes and Systems, both in terms of nationwide and local best practices
- Group Buying Power and discounts
- House plans and designs to suit all and any section size, or family
- No Building experience necessary, though it would be good to have some technical skills
- Excellent Support structure, both from the Franchisor and nationwide licensees
- Home and land packages available to clients
- Be part of a proudly New Zealand group with family values and business support to match

If you are an individual (or a couple) that would love to be in the construction industry and have the management skills to match, then this profitable and established business is for you.
