Established Profitable Auto Workshop / \$5700+ Net Income P/W for Working Owner

This automotive service business would suit either a mechanic or an investor who could manage a business. It is currently generating a SDE of \$300K for a working owner, which offers options for semi-managed and fully managed set up.

- Established 20 years ago.
- The owner is retiring.
- Long-term lease in place.
- Huge customer database.
- High volume and profits.
- Quality staff in place.

Located on the fringe of a large industrial area, surrounded by highly affluent suburbs. The business is operating on above average margins and is one of the best managed and highly profitable automotive workshops in Auckland.

Key services:

- Vehicle servicing
- WOF checks and repairs.
- Tyre checks, repairs, and replacements
- Electronic Scanning & Diagnosis

We can help you organize finance, if you have \$75,000 Cash and Property to leverage. Would work very well for even group investors, or a husband-wife team looking for a secure income in an established business.

Vendor Finance option is available on this up to \$150K with a 12-month lending period - terms and conditions apply.
