

Supermarket for Sale South Auckland

Supermarket with Big Profits - Easy To Run with Good Systems, Large Premises, Good Staff, Guaranteed Profits and No Regrets

This South Auckland Supermarket has a long and successful history serving the local community. The current owners must now reluctantly retire after 5 years of highly rewarded service.

The business enjoys an overall gross profit margin of 27% supported by good purchasing systems which will carry forward to the new operator.

Despite the high profit margin the shelf prices remain very competitive guaranteeing long term customer loyalty and support.

Low cigarette sales means very little impact to annual profits as new legislation comes into force. Vape sales can be introduced - none at the moment.

The large premises allow opportunity for expansion into new areas such as; Vapes, Hot Chicken & Chips, Food to Go, and Wine & Beer.

Also room for another row of grocer racking if that is your option.

Come and check the turnover and the profitability - seeing is believing.
