

Wholesale Safety & Apparel Business for Sale NZ

Safety apparel business a safe bet

This established safety apparel wholesale business has:

A 20-year success track record Average 44% GP Ebita 650K plus and growing

A solid reputation for quality protective clothing, including its own brands

A robust client base of retailers throughout New Zealand

Considerable identified scope for growth with new apparel lines and market share.

The business operates from well-located premises (with room for future expansion) that can be sold or leased to the buyer. Or, as the business can operate anywhere in the country it is not restricted to this location.

A unique competitive advantage of the business is the internally generated IP and brands that are an integral part of the goods sold.

The owners are motivated sellers and keen to ensure the success of the new buyer.
