

Hydraulics Trailer (Mobile) Business for Sale Bay of Plenty

Hydraulics Trailer Mobile Business Opportunity for Sale being sold in the "Bay of Plenty" but can be taken and run anywhere in New Zealand. All you need is a vehicle with a tow bar to tow the trailer.

Discover this new opportunity with this mobile hydraulics trailer business which is for sale in Bay of Plenty, New Zealand. This business can be put to work anywhere in the country, perfect for one person or can facilitate three workers. If you are looking to dive into the hydraulics sector, it is not difficult to learn or would be a great addition to a mobile mechanics business to expand your income possibilities.

With minimal requirements, all you need is a vehicle equipped with a tow bar to tow the trailer to the job or can also be home based. This business offers flexibility and the chance to enter a growing market without the need for a permanent location or renting/leasing building space etc. This takes up very little room for storage or parking. Great profit is possible for the right person as mark up on these products is in the stock. There is \$60,000 worth of stock alone going with the business in fittings and hose. All Alfa Gomma product out of Italy which is known for its quality. The trailer is battery charged/solar powered and mains powered and has its own generator. The trailer tows like a dream and made of fiber glass so wear and tear is minimal. It has three sets of crimpers/cutters and wot guns to set up two more workers or one set could be home based. If you are not hydraulic savvy the company that supply the fittings do put people through learning the ins and outs to making hoses and we also have help on hand here to make this possible. If you are somewhat hands on or mechanically minded this would be a great opportunity to either add to an existing business or stand alone. Great addition to a mechanics workshop, logging crew, contracting business or larger farmers with heavier equipment. The fittings and adaptors in stock cover all of these bases. If you are business minded and good with hands on customer, communications and love working outdoors this would be up your ally. Get self employed and reap the benefits for the hard work you do. All you need is the motivation to get going.

Asking price is \$100,000 plus GST.

If you're interested in exploring this new opportunity, feel free to reach out personally via phone for more details.

Business Resources

Can be self employed or facilitate up to three staff. The equipment is all Italian good quality and instruction to use of the product if not known is only a matter of a short course via the supplier in Auckland
