

Boundary & Pool Fencing Business for Sale Auckland

Established and brand recognised product that has been sold for forty years

We manufacture fences for boundaries, swimming pools, and barriers from falling on retaining walls. They are made from NZ Steel's Colorsteel and our product is 99% made from New Zealand material. Our market is domestic fencing and we distribute throughout New Zealand. Our production machinery has capacity for expansion without capital input which gives a purchaser the opportunity to expand easily.

Business Resources

Our staff of six produces fencing from four rollformers with associated presses, folders, and wrapping machine.
