

Exciting Education Franchise for Sale Christchurch

Innovative Play Based Franchise

Bricks 4 Kids is the largest provider of STEAM (Science, Technology, Engineering, Arts, Mathematical) education in the world.

Operating worldwide in 37 countries and with numerous successful locations operating in the North Island this opportunity is now available in the South Island.

Offering classes, parties, and workshops participants can explore real world concepts of science, engineering, and technology using LEGO Bricks.

Business profile

- * High profit margins and relatively low fixed overheads
- * Proven business model.
- * Established systems and processes.
- * Comprehensive training provided.

Year-Round Revenue Streams

Access to a huge pool of ready-to-deliver programme materials and training, for using in local areas such as schools, clubs, community centres, and libraries. This education business is poised to thrive in any economy as parents continue to prioritise their children's education.

Make the move to be part of an exciting educational program provider with 4 available Franchise areas in Christchurch city. You can share in a new innovative play-based learning adventure for kids.
