

Ashby Automatic Gate Manufacturing Business for Sale Christchurch

Custom build, Manufacture, Installation of electric gates & fences

This Highly Profitable 47 year old business is now for sale as the current owners are wanting to retire

It has been in their ownership for the last 25 years and they have built a huge base of satisfied clients, which creates future maintenance and servicing

This is an opportunity for a hands on, or entrepreneurial Buyer to continue the regular yearly growing turnover

While the business focuses on Custom Built, Manufacture and Installation of Automatic Gates, they do build both domestic and commercial fences, giving the ability and facilities to move into other light fabrication work

The business has an agency for "CAME" one of the best Italian electric gate opening units

Vendors will ensure a seamless transition for a new owner
