Commercial Interior Fit-outs - Highly Profitable

Profit \$470,000 p.a SDE

Building, Maintenance, QS, Estimating or BDM background - PERFECT!

Your skills would work well in this business. This is possibly one of the best fit-out businesses you will come across in the country!

- No staff
- No assets
- No stock
- 5 day week
- Low overheads
- Highly profitable

You are probably wondering how is it possible to operate with no staff, assets or stock. The answer is very easily, and it has operated this way successfully for many years.

It boasts an impressive list of large companies and government as regular repeat clients with the business underpinned by solid processes and systems which are uniquely simple.

- High quality clients
- Large forward pipeline of work
- Projects-quick turnaround with solid margins
- Extended transition/handover available

There are significant opportunities for a motivated new owner to grow the business.

Very few businesses like this ever hit the market!
