Jump Into An Exciting Opportunity

An Auckland-based business in operation successfully for more than 10 years, delivering gymnastics classes to children between ages 2-14 years, in both mobile off-site programs in schools, community centres, and public parks, and onsite from its very own beautifully designed and purpose-built facility.

The business is well-positioned in a geographical area that is experiencing ongoing urban intensification and commercial development, creating further opportunities for growth.

The business would also suit someone wanting to be their own boss as an owner-operator, or husband and wife duo, who may have previous business experience, and/or a background in gymnastics, or in running an exercise facility.
