High Tech Business & Fully Managed

This dynamic, fully managed enterprise boasts a legacy of over three decades, thriving under the skilled guidance of seasoned professionals. Their specialty lies in high-tech distribution, top-notch service & visionary project execution.

For more than 30 years, this business has consistently delivered top-tier technology equipment to a global clientele, earning it an esteemed reputation as the industry's preferred choice. Their diverse portfolio spans a multitude of services and products, sourced from an extensive network of exceptional suppliers.

An integrated approach comprises three seamlessly collaborating divisions, propelling the company to a substantial cash surplus with projections that promise remarkable growth.

Operating this business is a breeze. All the systems are meticulously in place, ensuring that a new owner can step in & immediately enjoy productivity and profitability. Alternatively, you can entrust the experienced team to manage operations for you.

This presents an ideal opportunity for a tech-savvy individual ready to take an already-established business to new heights. Likewise, it's an enticing prospect for a large tech corporation seeking expansion into untapped markets, bolstered by a fresh customer database.

The current owner, who semi-retired years ago, now seeks complete retirement, focusing solely on passive investments for the future. Ideally, the new owner should possess high-tech expertise to provide support to our dedicated team.

Priced to seize the moment at \$1.9M incl stock, this business offers a compelling opportunity, with a history of over 30 years & an enticing 30% ROI. Don't miss your chance to be part of this success story.
