

Own the Region-Scale the Fleet Building & Renovation Sector Business for Sale Queenstown/Southern Lakes

Transition from everyday trade work to executive leadership with a Hire a Hubby Enterprise business built for high margin commercial growth.

With 5 Enterprise operators currently active across New Zealand, top performing owners turn over in excess of \$1M p.a; providing motivated entrepreneurs with a tested, scalable platform to dominate their local market.

The Enterprise opportunity:

1. The Enterprise model allows prospective investors to secure and operate without traditional territorial boundaries.
2. As the Enterprise operator in the Southern Lakes region you gain unprecedented scope for larger commercial contracts, multi crew management and simultaneous job execution.
3. Enterprise owners focus on strategic leadership, customer aquisition and scaling a high performance fleet.
4. **Your earning potential is uncapped-scale as large as your vision.**

Are you an Enterprise Leader?

As an Enterprise operator your skills are typically;

1. Team Leadership
2. Strategic Vision
3. Client Engagement
4. Financial Acumen
5. Commercial Networking

Does this sound like you?

If you want to build a large-scale, highly efficient asset backed by a trusted household brand, you are the ideal candidate. Whether your background is in trade management, corporate operations, commercial construction or property management, your leadership skills will thrive in this model.

Purchase price of \$125,000 + GST, Equipment Pack and Training.
