Profitable Business - Price slashed!

On offer is a franchise which provides mobile repair support to industrial and commercial users for repairs of hydraulic hoses and fittings. This particular franchise is Christchurch-based, is well-established and performs well. The brand has a nationwide network which is top-of-mind for operators who have a vehicle or equipment breakdown which requires hose or fitting repairs. The flexibility of a mobile service allows the business to provide expertise wherever it is required, with the full support of a strong nation-wide brand and network.

For anyone with a mechanical background, this provides an excellent opportunity to own and operate your own business, and make your own way in the World.

These opportunities don't come up very often - enquire now for more details!

Possible Vendor finance may be considered for approved Purchaser.
