

# IT Services Business for Sale Auckland

## For Sale

Location: **Auckland**  
Asking: **\$390,000**  
Type: **Communications/Technology**

### IT Sales and Support Business

If you're looking to increase your market footprint, expand your services, or get into your own IT business, this long-established and systemised business will add significant profits to your portfolio.

They offer a range of services including server installation and network support for small to medium-sized businesses, supply of single home computers or to a large commercial network, devices and peripheral items, internet and router security, Wi-Fi internet installation, virus and malware protection.

Other highlights of the business include:

- Excellent reputation in the industry
- Well-established client base
- Extremely high retention of consistent and repeat business
- Microsoft, Antivirus, Draytek, Acronis, etc
- Smooth handover with adequate Vendor assistance provided
- Asking \$390,000 + SAV

Would suit a person or couple who have IT skills and expertise and are looking to build their own future. Bring your energy, your skillset, and hunger to take this business to the next level!

Would also work as a great acquisition or 'bolt-on' to an existing organisation.
