

Bulk Liquid Carrier Business for Sale Hawkes Bay

For Sale

Location: **Hawkes Bay**
Asking: **Price By Negotiation**
Type: **Transport/Automotive**

Liquid Bulk Carrier

- Specialist transporter of bulk liquids
- Well established Hawke's Bay business
- Significant assets include a fleet of 8 trucks
- Also includes trailers, bins and tanks
- \$492,500 tangible assets
- Contract in place for grape harvest
- Large customer base for fresh water deliveries
- Suit existing transport operator wishing to diversify
- Or individual looking to enter transport industry

The business has been operating for decades in Hawke's Bay. The business was founded to service the rapidly growing grape industry in the region, supplying grape cartage services during the grape harvest, between the vineyards and the wineries. As the grape harvest is seasonal the business diversified into bulk fresh water deliveries to farms, lifestyle blocks, swimming pool and event requirements.

The business also comes with the option of tree lifting machine for uprooting old vineyards or nursery tree lifting. A specialised service with little competition.

The current owners are unable to focus on the business due to alternative business commitments. Take advantage of the phenomenal growth that the Hawke's Bay region is experiencing.
