Opportunity of a lifetime awaits you.

Well established and financially successful earthworks business which has come onto the market for sale for the first time in its twenty five (25) year history at a time that is likely to see demand from government and the private sector, not only in respect of the expansion of the likes of planned residential developments but also for an expected infrastructure response to address the increasing urgency caused by recent weather events.

With a large range of well-maintained light and heavy machinery including the likes of numerous trucks, excavators, loaders and so much more with a current market valuation exceeding \$1.5 million this is no small business opportunity when it comes to the business' potential or indeed to a new owner's vision going forward to 2024 and onwards.

This business expands across and covers the wider Canterbury region and as such is involved in a wide range of earthworks activities including, for instance, the likes of, site development, landscaping, land development, land clearing, earthmoving, trenching, digging, demolition, driveways, clearing etc. Consistent with such a wide range of plant and equipment is the business' capability to generate revenue from a range of differing activities as a result of its dedicated and loyal work force, some of whom have been with the business for a long time.
