Larger Complex with Some Real Horsepower

This impressive motel complex occupies a prime site entering the town, with 20 units of various configuration (including some three-bedroom units), catering to all sectors of the market. It is a member of a top marketing alliance which provides increased market visibility and support.

The property is well presented, and with some recent upgrades paves the way to enjoy the ongoing recovery in the accommodation sector.

Superior four bedroom owner's accommodation with a private courtyard. Excellent garaging and work areas. A well thought out design.

For the current operator of the business for over 15 years, it is time to move on. This creates an opportunity to acquire a large and modern complex such as this at a very opportune ingoing price. The business is trading well with good forward bookings.
