Easy to run and profitable; Ideal for husband and wife team

This business has been in existence for over 25 years with the current owners having operated it since 2012. During this time they have created a very stable business which has produced consistent profitable results. The husband and wife team operates a business that offers a diverse range of products and services.

There are no specific skills required to operate the plant & equipment/machinery within the business. The skills required can be easily taught and the vendors will provide an extended period of assistance in this regard if necessary.

Plant and Equipment

The plant and equipment is well maintained and files are cloud based. No capital outlay is required to update the equipment or to cater for increased production.

Growth

This business is showing consistent growth but would benefit from an emphasis on marketing especially through their web site and continued radio promotions to the local market.

The Buyer

The business requires two people to operate it so ideally could be a husband and wife team or two friends. They will enjoy engaging with a wide cross section of people from local sports people and administrators to business owners.

Reason for Sale

The current owners are reaching semi retirement and are seeking to exit their business.

Net Surplus: \$168,294 Y/E March 2023 (2 working owners)
