A BYO Restaurant – Only Open For Dinner 5 Nights A Week (CML 10873)

This traditional unpretentious establishment makes you feel right at home whilst dining. The food is cooked with fresh and simple ingredients. Home-made pasta, delicious authentic sauces, great pizzas and mouth-watering desserts are the norm here. Consistency is key, you can always rely on the food to be the same quality as the last visit. This business is a firm favourite dining establishment of mine and as a local, I feel proud of its accomplished history.

THE BEST BITES

- Take-outs and Dine in, catering to us all
- Efficient layout and view from the kitchen of all that is happening
- Sales are around \$11,000 a week and still further potential
- Seating for 42 plus sidewalk dining
- Fantastic location with great supporting businesses and a fabulous loyal and local customer base
- Scope to grow further for a new energetic owner
- Reasonable price

AND A LITTLE BIT MORE

This is a business you most definitely can have a life outside of work with. Open Tue to Sat. Days off here! Or for those wishing to grow the turnover further open an extra 2 nights and perhaps also add deliveries. The current owner after many, many years and with great love for the business is ready for a change but also very willing to assist the new owner to ensure a smooth transition of ownership.
