Central Otago Fencing Business

Fencing Business for Sale

Central Otago

Asking Price \$345,000

This family-run fencing business has been operating in Central Otago since 2010, is well established, and has a strong brand with an excellent reputation.

The business installs stock fencing, rabbit-proof fencing, lifestyle fencing, post and rail fencing, and also manufactures and installs a comprehensive range of gates.

This represents a great opportunity for a fencing installer to step up into business ownership or would equally well bolt on to an existing landscaping business. Alternatively, this business might just be like a breath of fresh air for a builder looking for a change in direction.

Key things to consider are:

Profitable business

Fully staffed

Quality plant and equipment

Strong forward work

Diverse client base

Well-known Brand

Product demand

Stunning portfolio of finished work

Central Otago Lifestyle Opportunity

The present owners have a genuine reason for selling the business and will ensure a smooth transition
