Make An Offer - Renovation / Handyman Services / SDE \$92K

Are you a Handyman looking to own your business? Are you located or looking to be active in the affluent Central & Eastern Auckland suburbs? Do you want to add more residential customers to your portfolio?

This is a highly cashflow business that specializes in repair, renovations, and maintenance of high-end residential properties across Auckland, but focused on the Central and Eastern suburbs.

A profitable niche servicing high-end residential properties with a focus on working exclusively on referrals through real estate agencies and referral partners, who frequently pass on jobs to home to complete. Home renovators, house flippers and flood-damaged homes needing urgent care are another additional source of revenue.

The current owner works 8 to 9 months on the business and plans 2 - 3 overseas holidays throughout the year with his family. He is preparing to move to Australia and has decided to put the business for sale as a going concern for a motivated investor / handyman / renovator who wants a steady income.

This business is perfect for an individual with good knowledge of building and renovations, looking to start their own independent business, but not from scratch. It would also suit a husband-wife team willing to share roles for cashflow with a good work-life-family balance. Assets worth \$40K included in the purchase price.
