Design and Manufacture - Fence & Gate Business

Managed Business with Solid Profits

Price \$1,650,000

SDE \$800,000 +

If you're looking for an established, managed business that you can oversee while the experienced team look after the day-to-day operations, this is it!

This business offers exceptionally high quality and reliable products and service, providing an extensive range of options with design and manufactured gate and fence solutions. The customer base is predominantly commercial with pipeline work and work in progress ready for a new owner.

With a history of expertise for off the shelf and custom-built products, the company provides all aspects of steel and timber work for infrastructure, commercial and residential clients, with identified growth opportunities.

The current owner has positioned the business to give him the freedom to work minimal hours while giving his team autonomy to manage all facets of the day-to-day operations. The staff and contractors are testament to the business's continuation to thrive.

Key Considerations:

- Consistent annual revenue and profit
- Annual sales \$3,000,000 + p.a.
- Current profit for this financial year exceeds 2023!
- Established business.
- Operates from a large industrial warehouse.
- Experienced team of staff

This profitable business provides an excellent investment for anyone looking to expand into this field or a general manager looking to invest in a business that has established itself as a leader in this industry.

The present owner has very little input in the business, has a genuine reason for selling the business and will ensure a smooth transition for the next owner.
