

Engineering Business for Sale Auckland

Bolt-On Acquisition or Owner-Operator Dream

Are you looking to take the reins of a well-established engineering business with repeat clientele in the heart of Auckland? This is your opportunity to acquire a thriving enterprise with a strong track record and solid financial performance. With an impressive annual revenue of \$1,429,838 and an EBPITDA of \$601,746, this business is primed for continued success.

Key Features:

- 1. Established Reputation:** This engineering business has built a sterling reputation for its quality work, reliability, and dedication to client satisfaction since it was founded in 1985.
- 2. Key customers:** With a loyal customer base for which the business holds significant intellectual property, you can expect to inherit a steady stream of work from its repeat customers.
- 3. Key Personnel:** The business has a small team of highly skilled and experienced machinists, including two working owners who are prepared to continue their work within the business for a period following the sale to support the new owner and facilitate the transition.
- 4. Prime Location:** Located in Auckland, New Zealand's economic hub, you'll benefit from being in a strategic location with access to numerous manufacturing businesses nearby and a flexible lease scenario, meaning you could look to relocate this business to merge with an existing engineering operation or create a new lease to continue at the current location. All options are possible by negotiation.

Financial Details:

- **Annual Revenue:** \$1,429,838
- **FY2024 EBITDA:** \$461,746
- **FY2024 EBPITDA:** \$601,746 (based on a single working owner)

Opportunity:

This is an ideal opportunity for an existing engineering business to acquire the assets of the business to improve their company's growth and a significant return on investment. The business would also suit an individual or investor with a background in engineering or a passion for the industry. Whether you want to expand your existing business or start a new venture, this acquisition provides a solid foundation for growth and prosperity.

Reason for Sale:

The current owners are seeking to transition into retirement and have decided to pass on their legacy to a new owner who can take the business to new heights.
