

Fruit & Produce Retail Business for Sale Otago

Opportunities Abound.

There is an opportunity to either maintain the current operating model or to pave the way for a new future. While this horticulture business is profitable and is showing good returns, there is a chance to explore a different direction. The goal is to capitalise on the increasing demand for locally grown berry fruits such as Boysenberries, Strawberries, Raspberries, and other varieties. With several varieties of berry fruits already being grown onsite, now is the perfect time to transform the existing setup into a more specialized berry farm to meet the rising demand. This property is in an area with fertile soils that have historically yielded successful berry crops. With established sales and ample land (8.96ha +/-) as well as abundant water supply across two sites, and a modern cool store on the Ettrick property, this could be the exciting future you've been looking for.

- Freehold 3 br house included.
- Main road location SH8
