Light Marine Engineering

Light Marine Engineering based In Whangarei

This well-established business has been operated by the current owner since 2007. Catering to the needs of boaties, builders, meatworks, and a host of other industries. It has an excellent reputation fabricating products in mild or stainless steel.

Its location close to the Marina ensures easy access for its marine customers. Its reputation ensures repeat business and the experienced employees on the workshop floor contribute to a high standard of work.

The workshop is well-equipped enabling the business to carry out a wide range of work.

- * Shaft work
- * Welding/fabricating
- * Machine custom-sized items
- * Electropolishing

This is your opportunity to be part of this industry at an excellent price
