

# Independent Airport Shuttle Business for Sale Napier

## Village Shuttle - continue the legacy

A long and well establish name in Hawkes Bay

Big opportunity to take business to the next level

Demand for shuttle services is increasing

Includes modern 13 seater van and trailer

A simple business to run and operate

Village Shuttle has been transporting locals and visitors between Havelock North, Hastings, Napier and the Hawkes Bay Airport for decades. Now that the tourists are returning and the locals are flying again, demand for Village Shuttle service continues to grow.

There is an opportunity to scale up the business quite quickly as demand requires a second van. Significant growth opportunities can be discussed during the sale process.

The sale includes a modern 13 seater Toyota van and luggage trailer. The business website provides customers an on-line bookings system. Village Shuttle is simple business to operate and will appeal to an owner driver or someone looking for a business that can be scaled up quite quickly.
