Industrial Manufacturing

Following a long, successful, trading history the business is only available due to the owners decision to move on to the next stage of their careers.

The business has traded exceptionally well over the difficult past few years of COVID and is now reaping rewards from the growth in activity and the expected improvement in the economy with a new Government. Staffing numbers have remained steady at above the double digit level with few departures. The product range for the business is extensive and varied.

Make your enquiry now for more detail. Vendors are keen to sell.
