Motel Investment in the Heart of the Village

With the ravages of Covid now behind us, accommodation businesses in the Glacier Regions are once again enjoying tremendous cash flow and profitability.

This 21 unit property is located right in the centre of Franz Josef. The investment is secured by way of a long-term a registered lease at a very healthy rental which is once again in line with revenue and profitability for the operator.

This is an opportunity to invest and receive a passive rental income with all outgoings met by the operator. The owner of the freehold invested considerably in refurbishment and upgrading prior to leasing to the current operator in 2019.
