Indian Supermarket Winner! \$37k PW and \$328k Surplus!!

This is very well-respected retail business with a history of around 20 years and the current owners have been there almost that long!

This is a large place of around 400m2 that sells all kinds of products, from the Indian subcontinent as well as items from further afield. The premises has been recently refurbished and there is plenty of on-site parking, a separate loading area and heaps of storage.

The business is in a prime location and enjoys a huge customer base. It has over 2,000 people on its database and also provides wholesale to a number of restaurants, schools, and religious organisations.

The business runs very efficiently and even the rent is attractive at around 5% of current sales! This is a simple business to operate with great systems in place. There are 2 owners who work here and just 1 full-time, and 1 part-time staff member is needed.
