Leading NZ Kitchen Company - Design, Manufacture and Installation

EBITDA \$1,190,000

This exceptional business has built a legacy over the last 20+ years in the industry and has forged its way to become one of the most well-known, sought after brands for kitchen design and manufacturing.

The business success has been driven from their commitment to provide quality design solutions at the best price across both commercial and residential markets.

Highlights

- FY23 revenue \$6,722,693.00
- Established brand.
- Multiple showrooms.
- Substantial sales growth.
- Highly skilled team.
- Strong pipeline of work.

With a diverse range of customers and long-established relationships, this business offers a one stop solution from design, manufacture and installation. The business utilises their strong supplier relationships for locally sourced products and state of the art technology and machinery for precision and perfection in all aspects of their business.

With exponential growth in revenue and profit for FY23 and sales and pipeline work for FY24 looking just as promising, this business is not slowing down.

The owner's life plans have changed giving you this incredible opportunity to bring your business/entrepreneurial skills to this very well-structured business. This business offers various ownership options from hands-on, fully managed business or as an acquisition. The choice is yours.
