

Electrical Contracting Business for Sale Hamilton

Wired For Success! Semi Managed Electrical Contractor Waikato Region

Wired For Success! Semi Managed Electrical Contractor for Sale Waikato Region

Based in a regional Waikato township, this is a well-established electrical contracting & heatpump Installation business, servicing residential, commercial, aged-care, and technical markets.

Semi managed, the team of qualified and apprentice electricians are focused on providing good outcomes and value to their loyal customer base. A part time administration person completes the team. With vehicles, this business has a unique name, adding to its character and memorability.

The financial performance of the business is solid and consistent, given the stability of the customer base.

This business would ideally suit an existing electrician who recognises an amazing opportunity to run their own highly successful and profitable entity or alternatively suitable for an acquisition / amalgamation by another business.

Some features are:

Established over 10 years

Impressive growing sales and profits average \$150k EBPITDA over the last 2 years

Semi Managed Owner is mostly focussed on his other business

Great reputation and customer feedback

Preferred customer agreements with long term revenue streams in place

Comprehensive vendor assistance included in sale

Dedicated and professional team

A great opportunity to take over a solid business in an evergreen market.
