Opportunity Knocks Loudly - Unbeatable Price!!

On offer is a well-located café in a prime Christchurch location (Fendalton), with parking available in a car park immediately adjacent.

The café has seating for 60+ patrons and enjoys good local patronage, in addition to those passing by.

Our Vendor has owned and operated the business for only approximately four months. He had a vision to operate a dual business - by day a café, and by evening a Vegan and Vegetarian restaurant.

However, he has found that the Vegan and Vegetarian concept hasn't been accepted by patrons, and he has decided to pursue this dream elsewhere.

Here is a very well-established business being offered at a very competitive price. Recent additions to the well-equipped kitchen are included in the offering, providing an outstanding opportunity for a Purchaser to really make something of the business.
