

Bathroom Renovation Business for Sale Auckland

Healthy profits. High performing Bathroom Renovation Business. Excellent cashflow & competent sub-contractors in place. Selling due to personal circumstances.

This is a small business which we have built up over the past 4 years to make a healthy profit and works well at this turnover point. It now has the ability to expand and is ready for the next major growth step. This step has the potential to generate significantly higher profits for the business but it will need the right buyer.

We have enjoyed creating a reputable and profitable business so it is being reluctantly sold due to a sudden death in our family as we now need to leave NZ.
