

# Bowl & Arrow Cafe for Sale Auckland

## Bowl & Arrow. Superb Brand and Superb Business! \$28k Sales PW!

Aucklands premier provider of healthy smoothie bowls and feel-good foods!

This is one of those rare finds. A simple business model with a stellar brand and awesome growth potential! The healthy side of the industry is in real growth mode and in real demand.

### THE BRAND & OPERATION

Bowl & Arrow was founded in 2015 by the current owners who had a passion for healthy food and wanted to create a cool brand that really connected with its customers. Fast forward 9 years and Bowl & Arrow has really achieved that in spades. The stores offer premium smoothie bowls and other feel good foods using only the finest of ingredients.

With 2 fabulous stores and combined sales of over \$28,000, this is a GREAT business. The stores are in Westfield Newmarket and at Orakei Bay Village. The business couldnt be simpler to run. There is NO kitchen to worry about, for a start! All the hard work has been done in terms of brand awareness, product development and systems work to make the stores as efficient as possible.

In addition to business through the stores, the company provides healthy catering solutions for some very impressive blue-chip companies.

### OWNER INVOLVEMENT

The owners do not work in the business operationally and spend around 10 hours per week overseeing the business side of things. It is a business that you can keep running like that or you can jump in and realise even greater profits.

### GROWTH OPPORTUNITIES

There are so many growth opportunities here! Why not expand with more stores? You could even look at developing a Franchise system around the stores. All systems and manual are already in place and the owners have had enquiries from all around the country.
