ELECTRIC GATE SALES & INSTALLATION
Auckland

Electric Gate Sales & Installation. FY24 Profit of \$200,000

This business is built around a quality website and great lead generation.

The current owner has done the hard graft to establish the brand and make this business profitable. But the decision has been made to move closer to family. The business operates in a high demand area & industry, and is perfectly poised for a new owner to grow, currently turning away repair work.

If you like the sound of a simple to run, high-profit proven business, then you're right where you need to be. The purchaser should expect a rock-solid handover by genuine sellers who want to see a purchaser do well.

Business Highlights

- 50% deposits taken before the commencement of each job
- Great lead generating website
- Google adword marketing campaigns in place
- Gates are third party manufactured
- Simple & top performing business
- Great handover on offer for a seamless transfer of ownership
