

Software Business for Sale Christchurch

Software Business \$900,000 Profits

This Software business has a solid and consistent history of earnings and a global customer footprint in a well defined niche: Database tools.

This is a retirement sale for the vendor, and as a software business, is able to be relocated with ease - 99% of revenues are generated overseas. With over 1,000 customers and over a hundred thousand licences sold, this is an incredible proprietary product with significant recurring revenues. The intellectual property comprises the proprietary code library and development work in progress, domain names, trademarks, customer contracts and database.

Likely buyers would include:

- Technology firms focused on database management solutions,
- Technology firms focused on database connectivity
- Companies with extensive data management needs,
- Software companies looking to expand their product offerings
- Expanding IT services/software firms seeking to bolt on a cost-effective new revenue stream,
- Private Equity/Investment groups specializing in technology acquisition.

Interested parties must be able to disclose and demonstrate financial capacity and source of funds.

Shortlisted parties will receive an Info Flyer and be asked to submit an Expression of Interest with an indicative bid before further information is disclosed.
