Profitable Pilates Business North Of Auckland

Opportunity to own a well-established boutique Reformer Pilates business located in popular Matakana, just north of Auckland.

Operating in the region for 7 years, MYO Health has built up a loyal client base and has proven to be a robust and resilient business, consistently achieving good returns year-on-year.

The current owner has successfully run the business part time around her busy family life, only offering classes on weekdays during school term. Now, with new software in place and an expanded team to run all the classes, the owner is doing light touch management consisting of a few hours a week. It is the perfect time for a new owner to take over the business and reap the rewards.

The business at a glance

- 6 Reformers with space to add more
- Premium brand and position in the market
- Streamlined online booking system
- Good cash flow - all classes/memberships are pre-paid online
- Qualified, experienced and dedicated staff

With the new owner moving on to new things, the business is priced to sell. It's a great time to seize this opportunity and capitalise on a business that is through startup phase and running smoothly and effectively, with a loyal customer base and plenty of opportunity for rapid growth.
