

Roofing Business for Sale Auckland

Established roofing specialists in Auckland

The business is one of the leading players in the industry, with an extensive client base and referral network. This represents a fantastic opportunity to capitalise on the momentum the existing team has built, with the current vendor willing to participate in a thorough handover to allow a new owner to come up to speed with operations.

Highlights of this opportunity are summarised as follows:

- Plenty of opportunities to grow the business, some of which are already in motion
- The business has delivered a sustained period of success with a promising outlook ahead
- There is an extensive pipeline of contracted work in place for the next 12 months
- Staff are very experienced and well respected within the industry, with the business requiring little oversight from the current vendor
- The business is forecast to deliver EBITDA of approximately \$1,000,000
- Price on application
