Fully Managed Dental Practice! 20+ Years Strong. Managed FY2023 Profits of \$182,556

Are you ready to step into the world of dental entrepreneurship? This thriving dental practice is bound to reveal your pearly whites.

Situated in the Northland Region, just 30 kilometres south of Whangarei, it occupies a prime location with bustling foot traffic, complemented by nearby amenities such as a supermarket, pharmacy, and healthcare facilities. With over 20 years of service to the community, the practice has earned a stellar reputation, trusted by numerous clients as their preferred destination for dental care. The current owners have diligently upheld this esteemed reputation and significantly enhanced the business over the past 8 years.

Business Highlights:

- * **Well-Equipped Facility:** Their state-of-the-art facility is fully equipped with the latest dental technology and amenities to ensure optimal patient care.
- * **Loyal Client Base:** With a loyal patient base and steady flow of new clients, you can hit the ground running from day one.
- * **Experienced Team:** The business has a dedicated team of dental professionals who are committed to providing exceptional care and support to patients.
- * **Parking & Accessibility:** Located in a junction, the shared parking is in abundance and customers can enjoy easy accessibility and utmost convenience.
- * **Growth Opportunities:** The practice is currently fully staff managed which presents an excellent opportunity for a dental practitioner to work in the business and retain a significant portion of the profits.
- * **Low Outgoings:** There is a secure lease in place with extendable terms and very favourable rent and outgoings of approx. \$1,218 including GST & OPEX per month.
- * **FY2023 Managed Profits:** \$181,556.09 with a handsome salary exceeding \$200,000 to an owner operator working as a Dentist.

The owners aspire for the continued success of the practice even beyond their tenure, pledging to facilitate a smooth and practical transition for incoming owners, regardless of their level of dental experience.
