

Property & Learning Based Business for Sale Wanaka

Business and Property Opportunity: In 2 Learning, Wanaka

Don't miss out on this fantastic opportunity to own a property and business in the beautiful town of Wanaka. With a well-established educational business in place and the potential to expand or change the business model, this property offers a unique chance for a new owner to make their mark in the education industry.

In 2 Learning, a thriving educational enterprise focused on guiding students from Year 2 to Year 13 toward their academic aspirations across a wide range of subjects. From Literacy, Reading, and Writing to Maths, Science, Physics, Chemistry, History, German, Business Studies, and Economics. Additionally, In 2 Learning provides tailored courses for adults in Literacy, English as a Second Language, Maths, Sciences, and specialized Business Communication courses designed to aid small businesses.
