

Coffee Vending Machines Business for Sale Christchurch

Coffee Vending Machines Essential Service Enterprise

Life necessitates a quality coffee machine in the workplace, office or factory.

Over 100 machines on hire and has the ongoing income of supplying various coffees, teas plus other associated products of own blends imported from India.

These quality machines are for hire, sale, or lease, with a plan to suit, at an affordable cost.

The range of these machines is extensive and will cater to all individual needs for each customer.

Manufactured mainly in Italy , Switzerland and India.

Well-staffed with 2 part-time workers and a maximum of 2 to 3 hours per day from the owner.

Reasonable rental charges, and flexible contracts, depending on customer requirements.

Growing T/O and profits.

Low rental location or opportunity to be home based.

Good Profits with low input and grow as big as you like
