

Linehaul Transport Business for Sale Tauranga

An easy to run and profitable business. Transport Linehaul Business for Sale BOP. Well established, operating 25 years. Owner retiring.

This business operates 5 days a week running Tauranga to Auckland return and delivering to various areas around the Waikato and Bay of Plenty region.

Specialising mostly in steel related products such as reinforcing mesh, rebar and other building related products.

Also transport various Engineering products to many areas in the North Island.

An easy to run and profitable business.

Business Resources

We operate two 4x2 tractor Units, towing 13.2 m3 3 axle Semi-trailers and 1 4x2 Flat deck truck @7.2m3.

As well as driving myself we have a family member driving and my wife doing part-time office work.

It's easy to run with great communication channels with customers.

Well situated in the Industrial area of Greerton. The premises used are privately owned and supply a forklift which the company pays a small fee for. This is subject to using their company for mechanical services - which is excellent as they have the keys to our Vehicles so they can service these when not busy (eg. on a Saturday morning).
