Takeaway, \$130k profit to part time owner (CML 11008)

This central suburbs Takeaway is a great opportunity for a first time business owner. Great location for Takeaway sales and a high margin product makes it perfect for Uber and other third party delivery apps resulting in habitual and sticky sales.

Consistent sales of nearly \$600k+GST in the last financial year.

Reasonable rent at around 7% of sales.

The owner currently works part time in the business with 2 full time and 3 part time staff members.

Business generates owners profits of around \$130k for a part-time working owner. It could be possible to increase this number with a full-time owner.

Great trading hours of only 11am to 8pm. The owner believes that these could be extended to take advantage of likely demand in the evenings.

The business has a simple model with the systems in place allowing for a smooth transition to the new owners.

We have priced this to sell at only \$168,000 + stock (approximately \$6,000).
