

Home and Commercial Property Maintenance Franchise for Sale Whanganui

Are you ready to be the go-to person for all property and maintenance needs in Whanganui and its surrounding areas? Now is your chance with the franchise territory for Hire A Hubby Whanganui available now!

Due to a change in personal circumstances, Nitin is selling the franchise. However, this presents a golden opportunity for a new owner to step in and take charge of this thriving business.

About the Business:

Nitin's business has a strong focus on deck installation, staining, house painting, and general small repairs. With 70% of the work in residential areas and a clientele that includes commercial retail clients, there's a solid foundation to build upon.

You can tailor this business to suit your own skill set. Within our established Hubby network there are builders, kitchen renovation specialists and so much more, or if project managing is your thing, you can run and manage larger jobs utilising the subcontractors you need to get the job done to the highest standard!

Although the territory is based in Whanganui, there is a good spread of work from Whanganui to Bulls and up to Waverley providing opportunities for expansion for the new business owner.

About Whanganui

Whanganui is a thriving river city with a vibrant arts and culture scene, surrounded by beaches, rivers, lakes, and mountains nearby. The residential property market is strong as people continue to seek alternatives to Auckland, with population expected to increase by 4.5% over the next 10 years. This has meant demand for housing is also strong and the average house price sits at \$525,000, making it a very affordable city to live in and establish a business..

Business Resources
