

Manufacturing & Install Business for Sale Christchurch

Niche Industry; 30 Years Strong; Retiring Owners

The Opportunity

This well-established business is based on the outskirts of Christchurch. They offer custom and specialised solutions to a large and varied customer base.

Key Strengths of this Business

Well established & consistently profitable

Diverse customer base covering multiple industries

\$1m of forward work already confirmed for 2025FY

Opportunities to add a digital presence and sales energy

Good reputation for timely delivery and installation

Superb staff and experienced QSs on hand for pricing

Opportunity to become a managed business

Purpose built premises, with a large family home on the property also available

Business Resources

The Buyer

The majority of pricing is undertaken by experienced Quantity Surveyors, therefore the buyer does not need a specific skill set. However an interest in manufacturing and a broad understanding of construction would be beneficial. The retiring husband and wife owners roles involve staff planning, general oversight and administration. They are happy to provide an extended handover if necessary.
