The vendor is serious about selling, however, to preserve the confidentiality of the business has asked we don't state exactly what the business does.

- Well established in a location with considerable growth taking place.
- Profitable, and with the opportunity to earn well in excess of the purchase price.
- Operating expenses are extremely low with some able to be recovered from clients.
- Located within a marina environment with supporting services, small shopping center, housing and commercial/industrial development.
- Some businesses are almost recession proof, and this falls into that category.
- Vendor will provide training if required.
- Combine a business with a lifestyle: And it's not a bad lifestyle.

Asking \$70,000, however, the vendor will consider all reasonable offers.
